Invitation to participate in the 3rd Women's Run Siegen 2020

Since 2018, a big women's race yearly has taken place in Siegen. The last two runs in out twin town have been a great experience. Between 800 and 1,000 women competed over several distances and were thrilled by the extraordinary atmosphere of the event. Nevertheless, this year, as we all know, everything is different.

Despite the limitations of the current situation, the female 10-member competence team, the organizer, the sponsors and the city of Siegen, as well as the district of Siegen-Wittgenstein, want to carry further the main idea of the event. This is why they would like to invite and motivate women who are living in the twin towns of Siegen to also participate.

The best part: Through the commitment of the sponsors and partners the participation will be free of charge for all women. In addition, start numbers will be personalized for those who register until 25th of August. There will also be finisher certificates, a free finisher crown and, as in previous years, a starter package for every woman. The race will take place from September 6th to 13th and will be privately organized by the runners themselves. It is up to the women whether they want to run alone or in small groups – of course, every run always has to orientate on hygiene protection measures.

Those who do not want to run, but still want to be a part of the event, are welcome to swim, cycle, inline skating, wheelchair or do any other sports.

Women with disabilities and handicaps of course are warmly invited to participate. For the performance-oriented runners, a 6.6 km distance is waiting to be evaluated. Therefore the run has to be fully tracked by app or smartwatch.

Register now and become a part of the Women's Run Siegen community!

We are looking forward to you:

Rosa Baum, Renate Hoffmann, Ilka Kaltschmidt, Petra Gahr, Marlene Stettner, Ulla Baum, Alexandra Netzer, Vanessa Oster, Hanna Hafer, Gudrun Kobalz from Siegen

and: **:anlauf** Siegen
